Public Intercept Survey on the Awareness of Local Smoking Cessation Services

Hello. We are conducting a survey to find out how much people know about services that are available in this area for people who would like to quit smoking.

1. Do you currently smoke or use tobacco in any form?
   __No   __Yes, on a regular basis   __Yes, occasionally

2. If you or someone you know wanted to quit smoking or quit using other tobacco products, would you be able to find help in this area?
   __ No   __ Yes   __ Not sure

3. If you answered “yes,” how would you go about finding help?

   _______________________________________

3.a. Any other ways?

   _______________________________________

4. Have you ever seen any advertisement in the local paper or on bulletin boards that talk about services to help people quit smoking or quit using other tobacco products, such as classes or a telephone helpline?
   __ No   __ Yes   __ Don’t remember

5. If you answered “yes” to 4, please check all that apply:
   __ Bulletin Boards: Where? ________________________________
       __ Newspaper ads: Which papers? ________________________
       __ Community Events: Please list which ones: ____________

6. In your opinion, what would be a good place to post information on services that help people quit smoking or quit any tobacco products?

   _______________________________________

7. Do you have any other suggestions on how to get the word out that there is help available for people who would like to quit tobacco use?

   _______________________________________

8. Would you like any information on services to quit smoking? (If the answer is “yes,” hand out flyers with information on Smokers Helpline and Cessation Services).
