Greetings!

A HUGE thank you to everyone who attended the Tobacco Control Evaluation Center's April 28 training on the new Tell Your Story guidelines! We hope you had a great time exploring ways to make your Final Evaluation Reports even more useful.

We've devoted this month's newsletter to some key takeaways from Tell Your Story 3.0, as well as some other information you might be looking for as the due date for the next round of FERs approaches.

If you haven't had a chance to look at the new guidelines yet, check them out! They include:

- instructions for writing final and brief evaluation reports
- sample final and brief evaluation reports
- rubric for scoring final evaluation reports
- guidelines for submitting reports
- sample report highlights and executive summary
